Track Support

Two-line track

Three-line track

Four-line track

Six-line track

DIP color temperature coupled with the single lamp knob dimming design can easily achieve single lamp dimming, spot shaping and color temperature adjustment. It can be used alone or can alternatively be equipped with other dimming devices.

Control support

Support 1-10V, DMX, DALI, ZIGBEE, and other mainstream control. Can also be connected with Tuya, Amazon, Google, and other smart AI control systems.

shapeable track light is a multifunctional product integrating light cutting, zooming, projection and smart control. It is a product with completely independent intellectual property rights and global patents. It supports the adjustment of the shape, size and sharpness of light spot. The light spot shape can be adjusted arbitrarily by blocking light imaging with the insert.
